MEMORANDUM FOR THE RECORD

SUBJECT: Miscellaneous Ideas from the Meeting with the MEAP
29 August 1977

1. Public Releases:

a. Make them on a standard, routine, annual or semi-annual basis so that there is no accusation of tailoring the timing to suit policy.

b. Congressional Release.

3. Perhaps you need an overall private statement of where we are going.

4. The attractiveness of the CIA/DDI for employment:

a. Complete data base - not only classified but in general.

b. Innovative work - need demonstrations that there is innovative work being done here.

c. The opportunity to publish:

(1) Need to insure that all these ingredients are being developed.
